Plan exclusions

The following eye care services are not part of your plan:

- Orthoptic or vision training, subnormal vision aids and any associated supplemental testing.
- Aniseikonic lenses.
- Medical and/or surgical treatment of the eyes or their supporting structures.
- Any eye exam or eyewear required by an employer as a condition of employment, including safety eyewear.
- Services provided as a result of any Workers’ Compensation law, or similar legislation, or required by any governmental agency or program.
- Non-prescription lenses and/or contact lenses.
- Non-prescription sunglasses.
- Getting two pair of glasses instead of bifocals.
- Services or materials provided by any other group benefit plan that provides eye care.
- Discounts may not be allowed for some brand name eye care materials in which the manufacturer imposes a no-discount practice.
- Services you receive after your plan ends, except for eye care materials that were ordered before your coverage ended. These eye care materials, and services related to your order, may be covered even if they’re delivered after your coverage ends. Eye care services related to your delivery order may also be covered if you receive them within 31 days of placing your delivery order.
- Replacement of lost or broken lenses, frames, glasses or contact lenses. Replacement won’t be covered if you’ve already used your allowed vision benefits for your plan period.
